Partner with the City of Armadale to deliver this event, raise your business profile and have access to thousands of potential customers as part of a State-wide promotional campaign in the lead up to and on the day of this captivating event, which last year attracted over 20,000 people to the heart of Armadale.

This year for the first time, the City of Armadale is offering six businesses the opportunity to acquire presenting rights of one of these areas. This will also involve other promotional and marketing benefits, which will boost your business above competitors, and provide an opportunity to secure your place as a positive contributor to this community.
